To calculate discounts correctly it is necessary to identify families who have students enrolled at *different Catholic Schools and Colleges in the Diocese of Cairns*.

Please complete the table below with current details and return as soon as possible to enable us to calculate fees correctly.

Eg:	John Smith	St Thomas's	Year 5
	Tom Smith	St Augustine's	Year 8
	Jessica Smith	Mt St Bernard	Year 10

Parents Name:-

Completion and return of the above table will ensure families receive discounts correctly from term 1, 2014. Where families have siblings attending a primary school and college/s, please complete the form for each School and College.

Thank you for your assistance with this process and your support of Catholic Education.

**Please Note:** *This form is for families with children at any other Catholic Schools in the Cairns Diocese as well as St Thomas's School. If your children attend St Thomas's only – please do not return this form.*
